VEHICLE PRESHIP CHECKLIST

General Guidelines

1. Your vehicle must be operable. If it is not, additional fees will apply.
2. You must advise us of any modifications made to your vehicle such as 4x4 lift kit, camper shell, lowered vehicle, etc.
3. Your vehicle may not exceed 7' in height and must have a minimum of 4" ground clearance to safely load, unload and transport your vehicle.
4. We must have a working phone number where you may be reached throughout the duration of your vehicle relocation.
5. Your transit times will vary due to seasonal nature of our business, but average is 3-7 days.

Preparing Your Car for Shipment

1. There must be no obvious fluid leaks.
2. Your battery must be secure in the mounting bracket.
3. The vehicle must be clean for inspection. A dirty vehicle decreases the ability to perform a quality inspection.
4. Your gas tank must have a minimum of ¼ tank of fuel, but no more than ½ tank of fuel.
5. All alarm systems must be disconnected, disabled, or turned off.
6. Radios, cassette decks or CD players not built in, car hones, garage door openers, and toll passed must be removed.
7. All antennas must be fully retracted or removed.
8. All personal belongings must be removed. (except standard vehicle items such as the jack and spare tire)
9. All exterior spare tire covers grill covers, or car covers must be removed.
10. Plants and hazardous materials are forbidden by law to be transported.
11. One set of ALL keys for the vehicle must be provided, including alarm remote.
12. Non-permanent luggage racks, bike racks, or ski racks MUST be removed.
13. Your vehicle must be prepared for the new climate. This may include engine coolant, transmission oil, and other fluids.

Vehicle Inspection Requirements

1. You or your designated representative must be present for the inspection at the time of pick-up and delivery.
2. You or your designated representative must sign bill of lading and condition report at both origin and destination.
3. You or your designated representative is responsible for confirming your vehicle's condition. This must be done before the driver leaves the destination.
4. Damage will be noted by our representative on the bill of lading.
